

Sensory Garden – plants needed!

This year, we are beginning the planting of a Sensory Garden, which will become an interactive and biodiverse educational resource for the benefit for all who visit us.

We would love for you, our community, to help us to grow our garden. Do you have cuttings or plants from the following list which you would be willing to donate?

Smell	Sight	Sound	Taste	Touch
Lavender	Dogwood	Love in the mist	Wild strawberry	Jerusalem sage
Curry plant	Heuchera	Honesty	Nasturtium	Lamb's Ear
Rosemary	Verbena	Giant quaker grass	Chives	Sempervium
Oregano	Wode		Spearmint	Hardy fushia
Chocolate cosmos	Tansy			
Fennel	Weld			
	Californian poppy			
	Erysimum			
	Cyclamen			
	Coreopsis			
	Spring bulbs
