## Chellington Outdoor Treasure Trail

Children use clues to spot features around the Chellington site, fill in the answers grid and use the decoder to crack the code of letters and numbers to find where the treasure lies.

This treasure trail is designed to help children explore the outdoor environment and become familiar with the site during their stay at Chellington.

This activity is **free** and **self-led**.

## Chellington Indoor Quiz

Children can work together in teams to complete our indoor quiz, which encourages them to explore the building and become familiar with their surroundings during their stay at Chellington.

This activity is **free** and **self-led**.

## Campfire

Children can gather around for a campfire in the evening on site. Campfire songs are available on request. A bag of kindling and logs costs **£20** (enough for one campfire). The activity is **self-led**.

## Harrold & Odell Country Park Visit

We are fortunate to be in very close proximity to Harrold Odell Country Park (a 15-minute walk from the Chellington Centre). Your group can visit the park for a walk around the lakes. En route, children can stop at 2 playgrounds, visit the hides for some bird spotting on the lake or take brass rubbings from a trail of posts depicting a variety of park wildlife. There are benches to eat a packed lunch, an undercover outdoor classroom and a large lockable storage box to safely store small bags whilst the group does activities. Use of the storage box can be booked through the park ranger.

A range of **self-led** activities are also available if you book through the park ranger:

- ***I-spy***  
Pocket i-spy books designed specifically for the park can be ordered. These cost £1 each and are available from Dragonfly Café, if you only need a small number.
- ***Pond dipping***  
Up to 20 nets, trays and identification guides can be booked to use for investigating the mini-inhabitants of Dragonfly Pond and Kingfisher Water, at a cost of £1.50 + VAT per child.
- ***Bug hunting***  
Magnifying bug pots can be booked for mini beast hunting in the woodland, river meadows and other habitats around the park, at a cost of £1 per child.
- ***Short-course orienteering***  
Rangers can set up a short- course orienteering route for a team challenge around the park which takes approximately 45 minutes, at a cost of £1 + VAT per child.

## Walks Through Time

There are several nice walks from the Chellington Centre. We have added some points of historical interest to encounter and some questions to pose to the children as they explore the local area:

- **Freer's Wood**  
[Directions](#) (pdf), length: 5km, duration: approx. 1 hr 30 mins
- **Harrold Village Walk** includes loop around Harrold-Odell Country Park  
[Directions](#) (pdf), length: 5.5km, duration: approx. 2 hrs
- **Harrold Village Walk short route**  
[Directions](#) (pdf), length 4km, duration: approx. 1 hr 30 mins
- **Carlton Village & The Pipers**  
[Directions](#) (pdf), length 4.5km, duration: approx. 1 hr 30 mins
- **Harrold-Odell Country Park**  
[Directions](#) (pdf), length 5.5km, duration: approx. 1 hr 45 mins
- **Harrold-Odell Country Park & Odell**  
[Directions](#) (pdf), length 5.5km, duration: approx. 1 hr 45 mins
- **Country Park & Odell (wet weather route)**  
[Directions](#) (pdf), length 6km, duration: approx. 2 hrs

These activities are **free** and **self-led**.

## Soft Archery

Children can practise their archery skills with 6 sets available. Each set comes with 3 arrows and a bow, along with an easy-to-follow set-up and instruction guide for leaders.

This activity costs **£10 per set** and is **self-led**.

## Kite Flying

Children can take advantage of our hill top location to fly our owl kites. There are 5 kites in the pack, which costs **£10**.

This activity is **self-led**.

## In and Outdoor Games

Children can play a range of indoor and outdoor games at the centre. The games pack includes a rounders set, badminton set, footballs, tug of war, team parachutes, giant Jenga, indoor board games and puzzles.

The games pack costs **£20** and all are **self-led**.

There is also a giant Connect 4, table football and table tennis, all **free** to use on site.

## Movie and/or Karaoke Night

Children can watch movies or listen to music, have a karaoke night or watch the stars.

### Media pack includes:

- 55" 4K LED Smart TV (Panasonic TX-55FX700B) fixed in Ibbett room (with HDMI cable) very popular for presentations
- PA portable speaker system (QTX busker12) with two portable microphones (great for karaoke)
- Portable projector (Nebula Mars 3 Air)
- 2 Otone speakers (Afineo 2.0)
- 2 portable pull-up projection screens (2m x 1.5m and 1.2m x 1.2m)
- Portable trolley with locking wheels, power extension cable
- Flip chart with A1 paper
- White board with dry-wipe pens
- DVD player

The media pack costs **£30** and all activities are **self-led**.

## Scavenger Art

A great way to start a visit to Chellington. On entering the centre, children will see 'Chellington' spelt in letters made from gathered wild materials. Why not make your own school's name for the duration of your stay? The children explore the site and/or wider surroundings to scavenge natural materials to create a series of letters which can be photographed by accompanying adults. Photos emailed to The Chellington Centre will be printed and mounted in the entrance way!

This activity allows children to really explore and observe their natural environment very closely, making discoveries about seasonal plants and signs of animal life. They will gain a sense of achievement and pride by creating their own welcome sign, connecting their place with ours!

This activity is **free**, comes with visual instructions for the children and is **self-led**.

## Anglo-Saxons Meet the Vikings

Key Stage 2

The children step back in time to the 9<sup>th</sup> Century. The Vikings have travelled by longboat along the Great River Ouse. On the Danelaw/Wessex boundary, they find the Anglo-Saxon village at Chellington.

The activities start with an interactive session in the Ibbett Room where the group explores how we know what the local area around the Chellington Centre was like during the 9<sup>th</sup> Century.

The children become either Vikings or Anglo-Saxons and make their own helmets based upon historical and archaeological evidence. The children choose their shield and can decorate to personalise it, based upon artefacts from the period.

Warrior training out in the field introduces the children to the cries, commands and team work required to succeed in battle. The children choose their foam weaponry to complete their preparations and practise their formations and strategy.

Dressed and prepared, the children use drama to re-enact a battle down on the river meadow, based on the old English poem 'The Battle of Maldon'. Will the Viking raiders be victorious? Or will the Anglo-Saxons protect Chellington?

Children take their helmets home! All other resources are provided by the centre for use on the day.

Individual activity resource packs can be booked in any combination:

- Introduction to Anglo-Saxons and Vikings at Chellington: **Free**
- Helmet making: **£20**
- Shield decoration: **£10**
- Warrior training: **£20**
- Battle Re-enactment (which includes warrior training): **£40**

The total programme costs **£90 for self-led**, which can be supported with an optional, up to an hour long, briefing with a Chellington tutor (subject to availability) to help you deliver these activities.

Alternatively, these activities can be **led by a Chellington tutor for £150** per 2 hour session (materials included).

## Map Explorers

Key Stage 2

Children learn and practise navigation skills in this programme of team activities and games.

**Maps with LEGO** develops their skills in recognising OS map symbols used in navigation and orientating a map. Children use LEGO to build their own 3D models and maps.

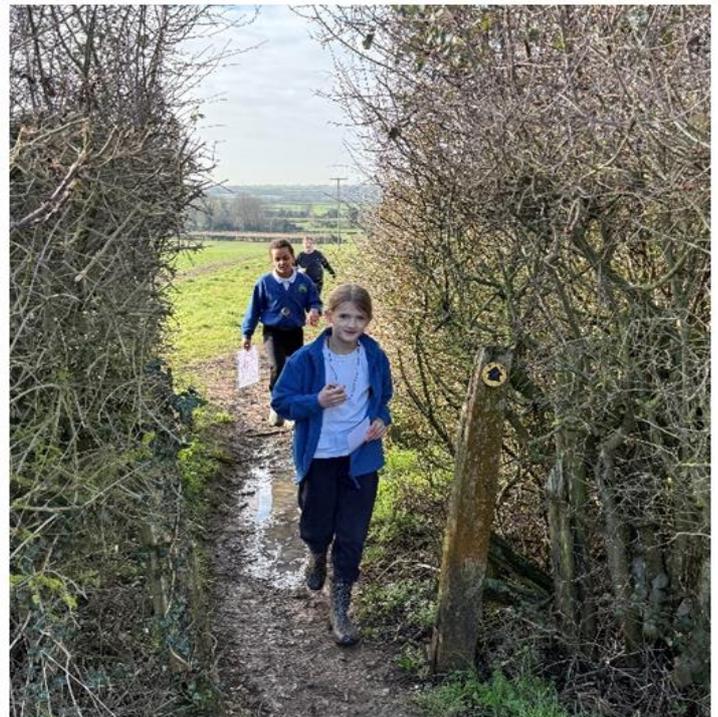

Playing **Swamp Escape** and **Rescue Chelly the Owl** allow children to step into the map, ensuring they are all confident with the use of 4 figure grid references. Progressing to 6 figure grid references will allow them to set off on a **Map Adventure** in teams around Harrold village.

**On-site Orienteering** gives children the chance to practise map orientation in a fun, competitive way while becoming familiar with key orienteering terms and equipment. The final **Off-site Orienteering** challenge builds on these skills by combining Ordnance Survey map reading with compass use, encouraging children to navigate the countryside surrounding the Centre. Individual activity resource packs can be booked in any combination:

- Maps with LEGO: **£20**
- Swamp Escape: **£10**
- Rescue Chelly the Owl: **£10**
- Map Adventure: **£10**
- On Site Orienteering: **£10**
- Off Site Orienteering: **£20**

The total programme costs **£80 for self-led**, which can be supported with an optional, up to an hour long, briefing with a Chellington tutor to help you deliver these activities.

Alternatively, these activities can be **led by a Chellington tutor** (subject to availability) for **£150** per 2-hour session (materials included).

## Winding Rivers

Key Stage 2

Children can explore the physical geography of the local area and how this affects local people. They will develop an understanding of the characteristics of the river through practical fieldwork.

The activities start with a short session in the Ibbett Room to introduce them to the river and its affects on local people. Activities will focus on developing children's field sketching and OS map skills.

Children will visit the river and in groups explore the characteristics of river, including its flow and the material it carries, through simple practical fieldwork. This will involve them working together to use instruments to measure and record their observations.

The total programme costs **£20 for self-led**, which can be supported with an optional, up to an hour long, briefing with a Chellington tutor to help you deliver these activities.

Alternatively, these activities can be **led by a Chellington tutor** (subject to availability) for **£150** per 2-hour session (materials included).

## GCSE Geography River Fieldwork

Key Stage 4

Students can practice the fieldwork skills required to undertake an investigation of the physical and human characteristics of the Great Ouse at two points along its course, which are accessible on foot from the centre. Resources provided on pdf include an advisory risk assessment, site choice and walking route information, student fieldwork booklet and introductory PowerPoint for the investigation.

This activity is **self-led**.

The total programme costs **£30 for self-led**, which can be supported with an optional, up to an hour long, briefing with a Chellington tutor to help you deliver these activities.

Alternatively, these activities can be **led by a Chellington tutor** (subject to availability) for **£150** per 2 hour session (materials included).

## A Level Physical Geography Fieldwork for Independent Investigators

Key Stage 5

Students can practice a variety of fieldwork skills to widen their experience of working in the field. Data can be collected to cover specification linked content including; carbon storage and sequestration in woodlands, microclimates, drainage basin processes, air and water pollution. Each is set up to follow the fieldwork enquiry process including hypothesis testing and sampling. Resources provided on pdf include an advisory risk assessment, site choice and walking route information and student fieldwork booklet.

This activity is **self-led**.

The total programme costs **£50** for **self-led**, which can be supported with an optional, up to an hour long, briefing with a Chellington tutor to help you deliver these activities.

Alternatively, these activities can be **led by a Chellington tutor** (subject to availability) for **£150** per 2 hour session (materials included).

## Forest Skills

All ages

Children can practise a variety of forest skills including shelter building, fire lighting, wood craft, as well as learning about trees and wildlife surrounding the centre.

This programme is taught by experienced, fully insured tutors. Groups of 15 are best but we can arrange a day to split up groups between activities.

### Guide Pricing:

- Half Day (about 2 hours) - £250
- Full Day (2, 2 hour sessions) - £450

These prices include **one tutor** and all materials.

If a group is larger than 15 (up to a maximum of 30 participants), leaders will be expected to help and guide and monitor behaviour.

## Mobile Farm

Animal Edge is a mobile farm designed to connect children with friendly farm animals, allowing them to experience the joy and wonder of animal interactions up close. Young people can get up close with a pony/donkey, pigs, guinea pigs, chickens, rabbits and goats. The visit supports EYFS and Key Stage 1 and 2 topics including animal behaviour, life cycles, habitats, classifications and animal welfare.

The sessions last up to 30 mins, for up to 15 children and can take place in the field at the Chellington Centre. Multiple sessions can be arranged to fill a 2 hour visit at a cost of **£250 + VAT**.

*If you are interested in booking this activity, please go to [www.chellington.org](http://www.chellington.org) and click on the [Check Availability](#) button at the top of the screen. You will find **Mobile Farm** under **3rd Party Activities**. If you select this activity, a booking enquiry will be sent by email to the third-party provider including your email contact details. The third-party provider will then confirm the exact price and details directly with you.*

## Mobile Zoo

Teaching Talons provide multi-award winning, educational animal encounters through their mobile zoo. Young people get up close to an incredible variety of animals from around the world- including giant invertebrates, reptiles, small mammals and an owl or talking parrot. There are plenty of photo and learning opportunities and the sessions can also be tailored to a topic of your choice. Popular topics include habitats, adaptation and meet the mini beasts! As well as touching or holding the animals, some of the animals will do feeding demonstrations and the children can actually feed the guinea pigs themselves! There is even a small rescue dog, who will do a whole mini show, as the finale if you would like him to attend.

The sessions each last roughly **50 minutes**, for up to 30 children and can take place in our main hall. Each session is time tabled into a one-hour slot to allow for any overrun, questions, changing classes over and hand washing. If you are booking a session for a single group/class, then the experience will last the full hour.

Pricing works as follows:

- Single session **£230**
- Two sessions **£155 each**
- Three or more sessions **£128 each**
- Full day **£575** - Up to 5 hours workshop time, plus any breaks.

Travel is included and Teaching Talons are not VAT registered - so there are no hidden costs.

Pricing includes two experienced presenters, set up and pack up time (they will arrive around 30 minutes before the first session). At least one presenter in attendance will always be a professional zookeeper. If you require multiple, or long gaps/breaks between sessions, they sometimes have to charge for this additional time. Because of this they will check and discuss potential session times with you, to find what works best for both your group and their Animal Ambassadors, to avoid the need for any extra charges.

*If you are interested in booking this activity, please go to [www.chellington.org](http://www.chellington.org) and click on the [Check Availability](#) button at the top of the screen.
